

SHREE RAJ
INDUSTRIES

SRi

Mfg. Of All Kind Of Brass Part Products.

About Us

Are you looking for a set of brass components which have an unparalleled quality aspect? Well you have come to the right place! We, at International Brass Products have invented a highly durable range of brass products, each of which would enable you to yield promising results after each use. A Manufacturer, Supplier and Exporter in nature, we are catering to numerous areas across the globe since our inception in 2005. Based in Jamnagar, Gujarat, we look forward at developing the finest range of Brass Sanitary Parts, Brass Hardwares, Brass Builder Hardware, Brass Agriculture Parts and other such goods. Backed by a vast packaging facility, our goods are wrapped using the best of materials, so as to make sure that they keep up to their qualitative aspect at all times!
